TODAY'S READINGS

Gospel at the Procession with Palms - Jesus' entry into Jerusalem (Matthew 21:1-11).
First Reading - In spite of my sufferings I am not disgraced. I am not put to shame (Isaiah 50:4-7).
Psalm - O my God, why have you cast me off? (Psalm 22)
Second Reading - Christ emptied himself, and God filled this emptiness with exaltation (Philippians 2:6-11).
Gospel - The account of Christ's passion according to Matthew (Matthew 26:14 - 27:66 [27:11-54]).

ENCOUNTER WITH THE CROSS

The journey of Lent brings us to an encounter with the cross. During Lent, we have been led more deeply into questions at the heart of our faith: Who is God? And who are we, the Church? The Gospel of Matthew indicates that, in the crucifixion, God's true nature is most fully revealed in Jesus. In Jesus, God is the self-emptying One, who embraces humility and suffers rejection, as Paul tells the Philippians. God's power is redefined, present not in coercion and violence, but in Jesus' unbounded love. We the Church can learn who we are, the followers of the Crucified One, when we bear crosses that offer life and hope to the world. We more fully become the Church when we empty ourselves by sharing in others' sufferings, rejecting violence, and taking risks for justice and reconciliation. Like Jesus, we may reveal God's power as compassion and mercy. Copyright © J. S. Paluch Co., Inc.

THE CROSS

We should glory in the cross of our Lord Jesus Christ, in whom is our salvation, life and resurrection; through whom we are saved and delivered.

OUR FASCINATING FAITH

The Sacred Paschal Triduum

Christians observe Easter on the first Sunday after the first full moon that follows the vernal equinox. For Christians, Easter is the anniversary of the creation of the world.

Did you know that the full moon rises just as the sun sets? And that it sets when the sun rises? On the night of a full moon there is no moment of the night when the moon isn't shining. Christians think that this phenomenon makes a wonderful image of heaven's perpetual light. Easter is our sacramental entrance into the light of Christ, the light of eternity.

The Sacred Paschal Triduum, the three-day Passover of the Lord, is our Easter festival. It begins on Holy Thursday at sunset. We count the days in the Jewish manner, from sunset to sunset. In this way the Triduum begins on the biblical "sixth day of the week," the day God created human beings. Its middle day is the "seventh day of the week," the Sabbath, the day of rest. And its final day is the "first day of the week," the day God began the work of creation by creating light and separating it from darkness. God the Father chose a "first day" to raise his Son from the dead. God the Spirit gave birth to the Church on a "first day" as well, the day of Pentecost. Copyright © J. S. Paluch Co., Inc
